IP Rating Chart

The Ingress Protection Rating consists of the letters IP followed by two digits. The first digit refers to the protection against the ingress of solids particles and the second digit to the protection against the ingress of liquids.

| IP | Effective Against | Description |
|----|-------------------|--|
| 0 | - | No protection against contact and ingress of objects |
| 1 | ≥50mm | Any large surface of the body, such as the back of a hand, but no protection against deliberate contact with a body part. |
| 2 | >12.5mm | Fingers or similar objects |
| 3 | >2.5mm | Tools, thick wires, etc. |
| 4 | >1mm | Most wires, slender screws, large ants etc. |
| 5 | Dust Protected | Ingress of dust is not entirely prevented, but it must not enter in sufficient quantity to interfere with the safe operation of the equipment. |
| 6 | Dust-Tight | No ingress of dust; complete protection against contact (dust-tight). A vacuum must be applied. Test duration of up to 8 hours based on airflow. |

| IP | Effective Against | Description |
|----|--|--|
| 0 | None | ---- |
| 1 | Dripping Water | Dripping water (vertically falling drops) shall have no unsafe effect on the specimen when mounted in an upright position onto a turntable and rotated at 1 RPM. |
| 2 | Dripping water when tilted at 15° | Vertically dripping water shall have no harmful effect when the enclosure is tilted at an angle of 15° from its normal position. A total of four positions are tested within two axes. |
| 3 | Spraying water | Water falling as a spray at any angle up to 60° from the vertical shall have no harmful effect, utilizing either: a) an oscillating fixture, or b) A spray nozzle with a counterbalanced shield. |
| 4 | Splashing of water | Water splashing against the enclosure from any direction shall have no harmful effect, utilizing either: a) an oscillating fixture, or b) A spray nozzle with no shield. |
| 5 | Water jets | Water projected by a nozzle (6.3 mm) against enclosure from any direction shall have no harmful effects. |
| 6 | Powerful water jets | Water projected in powerful jets (12.5 mm) against the enclosure from any direction shall have no harmful effects. |
| 6K | Powerful water jets with increased pressure | Water projected in powerful jets (6.3 mm nozzle) against the enclosure from any direction, under elevated pressure, shall have no harmful effects. |
| 7 | Immersion, up to 1 meter (3 ft 3 in) depth | Ingress of water in harmful quantity shall not be possible when the enclosure is immersed in water under defined conditions of pressure and time (up to 1 meter of submersion). |
| 8 | Immersion, 1 meter (3 ft 3 in) or more depth | The equipment is suitable for continuous immersion in water under conditions which shall be specified by the manufacturer. However, with certain types of equipment, it can mean that water can enter but only in such a manner that it produces no harmful effects. The test depth and duration is expected to be greater than the requirements for IPx7, and other environmental effects may be added, such as temperature cycling before immersion. |
| 9K | Powerful high-temperature water jets | Protected against close-range high pressure, high-temperature spray downs. Smaller specimens rotate slowly on a turntable, from 4 specific angles. Larger specimens are mounted in the intended position when being used, no turntable required, and are tested freehand for at least 3 minutes at a distance of 0.15–0.2 meters. |

With over 60 years heritage of manufacturing and distribution of lighting products for the Australasian market, Domus Lighting has developed a highly regarded reputation for innovation, quality and reliability. We are focused on continuing that reputation by investing in energy efficient lighting products, using the latest lighting technologies. Domus, was formed in 1961 in response to a growing need for quality lighting products. Now, Domus Lighting has expanded to become one of Australia's leading distributors of LED lighting to the Electrical Wholesale and Lighting Retail distribution channels.

Proudly 100% Australian owned, the company operates from a modern 13,000m² distribution facility and head office. Domus Lighting also offers a custom made lighting service to help provide a solution to those exciting and challenging designs. Our team are committed to applying their unrivalled LED experience and lighting expertise to enhance any of your energy saving lighting requirements. Combining that capability with the strength of our sales force, you can count on us to support you for all your lighting needs.

Multi Colour LED's

Dip Switch Technology

Multi-colour LED's are products that can produce up to 5 different colour temperatures, throughout the Domus catalogue you'll find products that have this function.

This is the breakdown of the available options:

XWW= 2700K | WW= 3000K | NW= 4000K
W= 5000K | XW= 5700K

Duo
2 Colours in one

Trio
3 Colours in one

Quinto
5 Colours in one

Handy-8

Anti-glare frame.
Polyamide frame and heat sink.
Fully dimmable with suitable dimmers.

Cutout: Ø90-95mm

TRIO Technology
dip switch

| Item No. | Variants | CCT | Wattage | IP Rating | Lumen Output | | |
|----------------|--------------|------|---------|-----------|------------------|---------------------|-------------|
| | White | | | | Warm White 3000K | Neutral White 4000K | White 5700K |
| HANDY-8 | 20820 | TRIO | 8W | 54 | 680lm | 740lm | 800lm |

Hasty-8

Flat face frame.
Polyamide frame and heat sink.
Fully dimmable with suitable dimmers.

Cutout: Ø90-95mm

| Item No. | Variants | CCT | Wattage | IP Rating | Lumen Output | | |
|----------------|--------------|------|---------|-----------|------------------|---------------------|-------------|
| | White | | | | Warm White 3000K | Neutral White 4000K | White 5700K |

LED Module Downlights

Cell Series

- COB LED Chip.
- Interchangeable lens.
- Cast Aluminium frame and heat sink.
- Fully dimmable with suitable dimmers.
- DALI option now available, production lead times apply.
- A replaceable solution to re-lamp when used with compatible frames.

| | 21285 | 21281 | 21283 | | | 5000K | 205lm |

Requires 12V DC Constant Voltage LED Driver - Wire in Parallel

ASTRA-SLR

How to build a profile

1- Choose your application and profile

2- Finish colour

Black

Anodised Aluminium

White

3- Measure the area of application

4- Choose the desired light output

(wattage and colour temperature from selected range "LED Strip")

5- Choose your driver

(from selected range "LED Drivers")

$$\text{twr} = \text{wpm} \times l + 20\%$$

| | |
|-------|------------------------|
| twr = | total wattage required |
| wpm = | watts per metre |
| l = | length |

Bloc 20

Specification

| | |
|----------------------|---|
| Installation: | Surface, wall or suspension mounted |
| Material: | Extruded Aluminium 6063 |
| Finish: | Natural clear anodised, Black or White |
| Diffuser: | Square (PMMA) Opal colour |
| Length: | 2500mm continuous* |
| Size: | (W) 19.7mm, (H) 19.6mm |
| Accessories: | Wire suspensions** |
| Special: | Custom powder coated colour upon request*** |
| Driver installation: | Remote driver required |

* Profile sold per metre. Can be cut to suit any length up to 2.5m. Includes endcaps & mounting clips.

** Accessories to be ordered separately.

*** Special powder coat finishes upon request. Surcharges apply.

PLEX-14.4-3K

CHAM-BT-RF-5C

The CHAM-BT-RF-5C is a 5-channel controller that can be used with a remote, touch panel wall control, or Bluetooth. Intended for use with constant voltage 12-24V DC lighting products the CHAM-BT-RF-5C offers various ways to control LED strip just by pairing it with a remote control, or a touch wall panel, or by using Bluetooth and controlling with a smart phone with the app. The CHAM-BT-RF-5C also works with GOOGLE and Alexa. Featuring 5 channels allowing control over single colour, RGB or RGBW lighting products.

Specification:

| | |
|-----------------------|---|
| Type of controller: | 5ch 4 in 1 universal RF+ Bluetooth controller |
| Method of control: | PWM |
| Method of dimming: | PWM (Pulse Width Modulation) |
| Housing colour: | Black plastic colour housing |
| Housing size (mm): | (L) 145mm x (W) 46.5mm x (H) 16mm |
| Input voltage (VDC): | 12-24V DC |
| Output voltage (VDC): | 12-24V DC |
| Output current (A): | 5x4A |
| Output wattage (W): | 12V DC - 48W per channel (x5). 24V DC - 96W per channel (x5). |
| Expandable signal: | Yes* |
| Requires: | Constant Voltage 12-24V DC LED driver** |

* Multiple 5CH data repeaters can be used in a single circuit.

** Constant Voltage LED driver required (not included) depending on requirements of light source (12V or 24V DC).

| CHAM-BT-RF-5C | 20141 | 5CH Controllerr |

CHAM-BT-RF-5C

CHAM-REM-3C

The CHAM-REM-3C is an RF + Bluetooth RGBW remote control that is to be used with the CHAM-BT-RF-5C receiver. This remote allows you to dim the LED strip, change the colour and speed up or slow down the speed of the changing colour mode. It also allows you to save specific scenes that you use on a regular basis. The CHAM-REM-3C also has a magnet on the back which allows for ease of use with the mounting bracket.

Specification:

| | |
|-------------------------|---------------------------------------|
| Type of controller: | RGBW Remote control |
| Protocol: | RF + Bluetooth |
| Dimming range: | 0.1% - 100% |
| Remote colour: | Black |
| Remote size (mm): | (L) 136.3mm x (W) 38.9mm x (D) 10.7mm |
| Transmission frequency: | 2.4GHz |
| Transmission range: | 30m |
| Operation voltage: | 3VDC (CR2025) |

| Item No. | Variants | Details |
|-------------|----------|-------------|
| CHAM-REM-3C | 20142 | RGBW Remote |

CHAM-REM-1C

The CHAM-REM-1C is an RF + Bluetooth Single colour remote control that is to be used with the CHAM-BT-RF-5C receiver. This remote allows you to dim the LED strip. It also allows you to save specific scenes that you use on a regular basis. The CHAM-REM-1C also has a magnet on the back which allows for ease of use with the mounting bracket.

Specification:

| | |
|-------------------------|--------------------------------------|
| Type of controller: | Single colour dimming remote control |
| Protocol: | RF + Bluetooth |
| Dimming range: | 0.1% - 100% |
| Remote colour: | Black |
| Remote size (mm): | (L) 150mm x (W) 38.6mm x (D) 12mm |
| Transmission frequency: | 2.4GHz |
| Transmission range: | 30m |
| Operation voltage: | 3VDC (CR2025) |

| Item No. | Variants | Details |
|-------------|----------|----------------------|
| CHAM-REM-1C | 20143 | Single Colour Remote |

CHAM-TOUCH-3C

The CHAM-TOUCH-3C is an RF + Bluetooth RGBW AC wall control that is to be used with the CHAM-BT-RF-5C receiver. The CHAM-TOUCH-3C wall control allows you to dim the LED strip, change the colour, and speed up or slow down the speed of the changing colour mode. It also allows you to save specific scenes that you use on a regular basis.

Specification:

| | |
|-------------------------|-----------------------------------|
| Type of controller: | RGBW touch wall control |
| Output signal: | RF + Bluetooth |
| Dimming range: | 0.1% - 100% |
| Colour: | White (Glass) |
| Dimensions (mm): | (L) 120mm x (W) 75mm x (D) 29.1mm |
| Cut out (mm): | (L) 70mm x (W) 44mm x (D) 20mm |
| Transmission frequency: | 2.4GHz |
| Operating temperature: | 0-40°C |
| Power consumption: | < 15mA |
| Operation voltage: | 240V |

| Item No. | Variants | Details |
|---------------|----------|---------------------|
| CHAM-TOUCH-3C | 20144 | 3CH Wall Controller |

CHAM-TOUCH-1C

The CHAM-TOUCH-1C is an RF + Bluetooth Single colour AC wall control that is to be used with the CHAM-BT-RF-5C receiver. The CHAM-TOUCH-1C wall control allows you to dim the LED strip. It also allows you to save specific scenes that you use on a regular basis.

Specification:

| | |
|-------------------------|-----------------------------------|
| Type of controller: | Single colour touch wall control |
| Output signal: | RF + Bluetooth |
| Dimming range: | 0.1% - 100% |
| Colour: | White (Glass) |
| Dimensions (mm): | (L) 120mm x (W) 75mm x (D) 29.1mm |
| Cut out (mm): | (L) 70mm x (W) 44mm x (D) 20mm |
| Transmission frequency: | 2.4GHz |
| Operating temperature: | 0-40°C |
| Power consumption: | < 15mA |
| Operation voltage: | 240V |

| Item No. | Variants | Details |
|---------------|----------|---------------------|
| CHAM-TOUCH-1C | 20145 | 1CH Wall Controller |

CHAM-DR-4C

The CHAM-DR-4C is a 4 channel signal strength data repeater. The CHAM-DR-4C offers the ability to expand the signal strength generated by the master controller. In the situation where the load limit is exceeded or more than the limit set by the Master controller the CHAM-DR-4C is able to duplicate the signal without signal loss. This means whether using RGB, RGBW or single colour when colour changing or dimming the selected user colour will always remain the same. Particularly useful where a single master controller is used to control large areas or multiple zones.

Specification:

| | |
|-----------------------|---|
| Type of controller: | 4ch Data Repeater |
| Method of control: | PWM* |
| Method of dimming: | PWM (Pulse Width Modulation) |
| Housing colour: | Black plastic colour housing |
| Housing size (mm): | (L) 168mm x (W) 58mm x (H) 28mm |
| Input voltage (VDC): | 12-24V DC |
| Output voltage (VDC): | 12-24V DC |
| Output current (A): | 4x8A |
| Output wattage (W): | 12V DC - 96W per channel (x4). 24V DC - 192W per channel (x4). |
| Expandable signal: | Yes** |
| Requires: | Constant Voltage 12-24V DC LED driver*** |

* Accepts signal generated from a Master controller. The signal output from the Master controller must be a PWM type output.

** Multiple 4CH data repeaters can be used in a single circuit.

*** Constant Voltage LED driver required (not included) depending on requirements of light source (12V or 24V DC).

| Item No. | Variants | Details |
|------------|----------|-------------------|
| CHAM-DR-4C | 20114 | 4CH Data Repeater |

CHAM-DR-1C

The CHAM-DR-1C is a 1 channel high power data repeater. The CHAM-DR-1C offers the ability to expand the signal strength generated by the master controller for dimming circuits. In situations where the load limit is exceeded or more than the limit set by the Master controller the CHAM-DR-1C is able to duplicate the signal without signal loss. This means whether dimming via RF, 0-10V, DALI or DMX you can be assured that the dimming signal will always be stable thus avoiding the appearance of dim light over larger areas. Particularly useful where a single master controller is used to control large areas or multiple zones.

Specification:

| | |
|-----------------------|---|
| Type of controller: | 1ch High Power Data Repeater |
| Method of control: | PWM* |
| Method of dimming: | PWM (Pulse Width Modulation) |
| Housing colour: | Black metal colour housing |
| Housing size (mm): | (L) 150mm x (W) 54mm x (H) 31mm |
| Input voltage (VDC): | 12-24V DC |
| Output voltage (VDC): | 12-24V DC |
| Output current (A): | 1x24A |
| Output wattage (W): | 12V DC - 288W (x1) 24V DC - 576W (x1) |
| Expandable signal: | Yes** |
| Protection: | Yes, replaceable external 25A blade fuse*** |
| Requires: | Constant Voltage 12-24V DC LED driver*** |

* Accepts signal generated from a Master controller. The signal output from the Master controller must be a PWM type output.

** Multiple 1CH data repeaters can be used in a single circuit.

*** Standard replacement blade type fuse. Available from any electronics supplier.

**** Constant Voltage LED driver required (not included) depending on requirements of light source (12V or 24V DC).

| Item No. | Variants | Details |
|------------|----------|-------------------------|
| CHAM-DR-1C | 20134 | 1CH Power Data Repeater |

CHAM-DIM-DALI-4C

The CHAM-DIM-DALI-4C is an interface designed to suit DALI dim applications. Intended for use with Constant Voltage 12-24V DC lighting products the CHAM-DIM-DALI-4C offers seamless integration between automation systems. Accepts standard DALI signal generated from any automation system. Featuring 1-4CH of dimming, allowing control over single colour, RGB or RGBW LED lighting products. The CHAM-DIM-DALI-4C make integration a breeze with options for Auto addressing or manual addressing function.

Specification:

| | |
|-----------------------|---|
| Type of controller: | 1-4ch Dimming Controller (selectable) |
| Method of control: | DALI signal* |
| Method of dimming: | PWM (Pulse Width Modulation) |
| Housing colour: | Black plastic colour housing |
| Housing size (mm): | (L) 169mm x (W) 58mm x (H) 28mm |
| Digital display: | Yes |
| Input voltage (VDC): | 12-24V DC |
| Output voltage (VDC): | 12-24V DC |
| Output current (A): | 4x8A |
| Output wattage (W): | 12V DC - 96W per channel (x4) 24V DC - 192W per channel (x4) |
| Expandable signal: | Yes** |
| Requires: | Constant Voltage 12-24V DC LED driver *** |

* Accepts signal generated from automation systems via a DALI gateway (Type 0 device).

** 4CH data repeater recommended for loads that exceed the CHAM-DIM-DALI-4C limits. CHAM-DR-4C (20114) not included.

*** Constant Voltage LED driver required (not included) depending on requirements of light source (12V or 24V DC).

| Item No. | Variants | Details |

CHAM-DIM-DALI-1C

The CHAM-DIM-DALI-1C is an interface designed to suit DALI dim applications. Intended for use with Constant Voltage 12-24V DC lighting products the CHAM-DIM-DALI-1C offers seamless integration between automation systems. Accepts standard DALI signal generated from any automation system or simple dimming using the "Push Dim" function. Featuring 1CH of dimming, allowing control over single colour LED lighting products. The CHAM-DIM-DALI-1C make integration a breeze with options for Auto addressing or manual addressing function.

Specification:

| | |
|-----------------------|---|
| Type of controller: | 1ch Dimmer |
| Method of control: | DALI or "Push Dim"* |
| Method of dimming: | PWM (Pulse Width Modulation) |
| Housing colour: | Black plastic colour housing |
| Housing size (mm): | (L) 169mm x (W) 58mm x (H) 28mm |
| Digital display: | Yes |
| Input voltage (VDC): | 12-24V DC |
| Output voltage (VDC): | 12-24V DC |
| Output current (A): | 1 x 8A |
| Output wattage (W): | 12V DC - 96W (x1) 24V DC - 192W (x1) |
| Expandable signal: | Yes** |
| Requires: | Constant Voltage 12-24V DC LED driver *** |

* Accepts signal generated from automation systems via a DALI gateway or via momentary Switch when "Push dim" mode is selected (Type 0 device).

*** 1CH data repeater recommended for loads that exceed the CHAM-DIM-DALI-1C limits. CHAM-DR-1C (20134) not included.

**** Constant Voltage LED driver required (not included) depending on requirements of light source (12V or 24V DC).

CHAM-DIM-DMX

CHAM-DIM-DMX

The CHAM-DIM-DMX is an interface designed to decode DMX-512 signals. Designed for use with Constant Voltage 12-24V DC lighting products the CHAM-DIM-DMX offers seamless integration between automation systems and/or lighting desk consoles and luminaires. Accepts standard DMX-512 signal generated from any automation system or lighting control console. Featuring up to 4CH of dimming, allowing control over RGB, RGBW or single colour LED lighting products.

Specification:

| | |
|--------------------------|---|
| Type of interface: | RGBW 4ch Controller |
| Method of control: | DMX-512* |
| Method of dimming: | PWM (Pulse Width Modulation) |
| Housing colour: | Black plastic colour housing |
| Housing size (mm): | (L) 168mm x (W) 58mm x (H) 28mm |
| Digital display: | Yes |
| Input voltage (VDC): | 12-24V DC |
| Output voltage (VDC): | 12-24V DC |
| Output current (A): | 4 x 8A |
| Output wattage (W): | 12V DC - 96W per channel (x4) 24V DC - 192W per channel (x4) |
| Multi-channel operation: | Yes** |
| Expandable signal: | Yes*** |
| Requires: | Constant Voltage 12-24V DC LED driver **** |

* Accepts signal generated from automation systems via a DMX-512 gateway or lighting control console.

** 3-4CH selectable depending on use. RGB (3CH) or RGBW (4CH).

*** 4CH data repeater recommended for loads that exceed the CHAM-DIM-DMX limits. CHAM-DR-4C (20114) not included.

**** Constant Voltage LED driver required (not included) depending on requirements of light source (12V or 24V DC).

LED Panel Surface Mount Frames Installation Guide

1. Fix the frame onto the ceiling except plaster ceiling.

4. Move the panel into the other side of the frame

2. Insert plug of panel into mains socket.

5. Insert the plastic plugs into the 4 holes to keep the panel stable.

3. Slightly tilt and insert the panel into one side of the frame

6. Turn on the main power supply

Vivid Series

5 Pack DIY LED Deck Light kit, 5x0.6W, complete with plug and play cable and 12V DC LED Driver with flex and plug. 316 Stainless steel body with opal glass diffuser. Upgradable to maximum 10 lights by adding optional single deck light. Optional RF hand held dimmer (**21100**) also available upon request. Complete with 1 metre of cable per head. *Note: 1.8m Flex and Plug to LED Driver. Driver to first light is 50cm, each light has 1m left and right, so max 2m spacing.*

Single Colour 5 Pack Kit

Cutout: Ø25mm

RGB Colour 5 Pack Kit

Colour controller with RF remote control. Multiple pre-set colour scenes as well as the option of choosing desired colour.

Single Head

Single head only to suit 5 Pack DIY LED Deck Light kit. Designed only to be used with kits to allow for extra lights to be added. 316 Stainless steel body with opal glass diffuser. Complete with 1 metre of cable per head. Must be used only with VIVID series as an additional accessory to increase the number of heads from 5 to a maximum of 10 heads.

Single Colour Dimming Controller

Single colour dimming controller and RF remote control to suit 5 Pack DIY LED Deck Light kit. Designed for use with Warm White and White 5 pack LED Deck light kits only. *Must be used with single colour 5 Pack LED Deck Light Kits only.*

Please order this product in two parts using two codes, one for the body and another for the fascia.

Electromagnetic Induction

No direct cable connection
from base unit to LED Light.

Induction technology passes current
to LED Light through magnetic process
to illuminate LED.

No more failed Inground lights
from filling up with water,
simply provide a 24V DC waterproof
connection to the unit.

LED Inground Lights

Magneto Series

Introducing a revolutionary new design in inground lighting. The MAGNETO series from Domus features induction technology to transfer electrical current from the base pot to the light unit **WITHOUT** any cable connection. This avoids water syphoning through the cables and causing the LED light to prematurely fail due to moisture. Also provides for a very easy maintenance by simply unscrewing the light unit and replacing it without the need for an electrician. Ideal as a path light or inground light close to walls or columns to achieve wall washing or v-line effects. 3W 24V DC LED Inground light, 316 Stainless Steel Light Unit, optic lens diffuser. Available as a spot or flood.

Constant Current - Wire in Series

1. Definitions

- 1.1 "Domus" means Domus Lighting Pty Ltd, its successors and assigns or any person acting on behalf of and with the authority of Domus Lighting Pty Ltd.
- 1.2 "Customer" means the person/s buying the Goods as specified in any invoice, document or order, and if there is more than one Customer is a reference to each Customer jointly and severally.
- 1.3 "Goods" means all Goods or Services supplied by Domus to the Customer at the Customer's request from time to time (where the context so permits the terms 'Goods' or 'Services' shall be interchangeable for the other).
- 1.4 "Price" means the Price payable (plus any GST where applicable) for the Goods as agreed between Domus and the Customer in accordance with clause 6 below.
- 1.5 "GST" means Goods and Services Tax as defined within the "A New Tax System (Goods and Services Tax) Act 1999".

2. Acceptance

- 2.1 The Customer is taken to have exclusively accepted and is immediately bound, jointly and severally, by these terms and conditions if the Customer places an order for or accepts delivery of the Goods.
- 2.2 These terms and conditions may only be amended with the consent of both parties in writing, and shall prevail to the extent of any inconsistency with any other document or agreement between the Customer and Domus.
- 2.3 Goods are supplied by Domus only on the terms and conditions of trade herein to the exclusion of anything to the contrary in the terms of the Customer's order.

3. Electronic Transactions Act 2000

- 3.1 Electronic signatures shall be deemed to be accepted by either party providing that the parties have complied with Section 9 of the Electronic Transactions Act 2000 or any other applicable provisions of that Act or any Regulations referred to in that Act.

4. Change in Control

- 4.1 The Customer shall give Domus not less than fourteen (14) days prior written notice of any proposed change of ownership of the Customer and/or any other change in the Customer's details (including but not limited to, changes in the Customer's name, address, contact phone or fax number/s, or business practice). The Customer shall be liable for any loss incurred by Domus as a result of the Customer's failure to comply with this clause.

5. Sales Targets and Settlement Rebates

- 5.1 Any agreed sales targets and/or settlement rebates are subject to specific agreed conditions, with all agreements to be documented by Domus and signed by both parties. Rebates shall be granted as per the agreed terms.
- 5.2 Where the Customer fails to adhere to the agreed terms, Domus reserves the right to withdraw, cancel and/or modify the rebate structure.

6. Price and Payment

- 6.1 At Domus' sole discretion, the Price shall be either:
 - (a). as indicated on any invoice provided by Domus to the Customer; or
 - (b). the Price as at the date of delivery of the Goods according to Domus' current price list, with any claims of incorrect pricing to be made within thirty (30) days of delivery; or
 - (c). Domus' quoted price (subject to clause 6.2) which will be valid for the period stated in the quotation or otherwise for a period of thirty (30) days. Domus reserves the right to withdraw or change a quotation without notice prior to acceptance.
- 6.2 Domus reserves the right to change the Price:
 - (a). if a variation to the Goods which are to be supplied is requested (including any applicable plans or specifications); or
 - (b). in the event of increases to Domus in the cost of labour or materials (including, but not limited to, overseas transactions that may increase as a consequence of variations in foreign currency rates of exchange and/or international freight and insurance charges) which are beyond Domus' control.
- 6.3 Variations will be charged for on the basis of Domus' quotation, and will be detailed in writing, and shown as variations on Domus' invoice. The Customer shall be required to respond to any variation submitted by Domus within ten (10) working days. Failure to

do so will entitle Domus to add the cost of the variation to the Price. Payment for all variations must be made in full at the time of their completion.

- 6.4 Time for payment for the Goods being of the essence, the Price will be payable by the Customer on the date/s determined by Domus, which may be:
- on delivery of the Goods;
 - either thirty (30) days or sixty (60) days as per prior arrangement, following the end of the month, in which a statement is emailed or posted to the Customer's address notices;
 - the date specified on any invoice or other form as being the date for payment; or
 - failing any notice to the contrary, the date which is seven (7) days following the date of any invoice given to the Customer by Domus.
- 6.5 Payment may be made by cash, cheque, bank cheque, electronic/on-line banking, credit card (Visa or MasterCard only) a surcharge of up to one and a half percent (1.5%) will apply per transaction on all credit card payments, or by any other method as agreed to between the Customer and Domus.
- 6.6 The Customer shall not be entitled to set off against, or deduct from the Price, any sums owed or claimed to be owed to the Customer by Domus nor to withhold payment of any invoice because part of that invoice is in dispute.
- 6.7 Unless otherwise stated the Price does not include GST. In addition to the Price the Customer must pay to Domus an amount equal to any GST Domus must pay for any supply by Domus under this or any other agreement for the sale of the Goods. The Customer must pay GST, without deduction or set off of any other amounts, at the same time and on the same basis as the Customer pays the Price. In addition, the Customer must pay any other taxes and duties that may be applicable in addition to the Price except where they are expressly included in the Price.

7. Delivery of Goods

- 7.1 Delivery ("Delivery") of the Goods is taken to occur at the time that:
- the Customer or the Customer's nominated carrier takes possession of the Goods at Domus' address; or
 - Domus (or Domus' nominated carrier) delivers the Goods to the Customer's nominated address even if the Customer is not present at the address.
- 7.2 At Domus' sole discretion, the cost of delivery shall be:
- all purchase orders over three hundred dollars (\$300) including GST are free into store (FIS) within Australian Capital cities and Domus' nominated Regional centres, excluding NT and WA;
 - all purchase orders under three hundred dollars (\$300) including GST, will incur a minimum delivery/freight charge of twenty dollars (\$20) plus GST.
 - Custom profile orders over 3 metres in length, will incur an additional Freight & Handling charge.
- 7.3 For all areas outside Australian Capital cities and Domus' nominated Regional centres, Domus shall reserve the right to quote and charge a delivery/freight charge that represents the true cost of freight for the requested purchase order, or the Customer may nominate their own carrier and costs accepted by the Customer.
- 7.4 Any time specified by Domus for Delivery is an estimate only and Domus will not be liable for any loss or damage incurred by the Customer as a result of any delay. However, both parties agree that they shall make every endeavour to enable the Goods to be supplied at the time and place as was arranged between both parties. In the event that Domus is unable to supply the Goods as agreed solely due to any action or inaction of the Customer, then:
- any change in the date of Delivery will be accommodated to the extent that Domus is able to accommodate it, but in the event the change necessitates any variation under clause 6.2, the extra expenses will be charged to the Customer; and/or
 - Domus shall be entitled to charge a reasonable fee for re-supplying the Goods at a later time and date.
- 7.5 Domus may deliver the Goods in separate instalments. Each separate instalment shall be invoiced and paid in accordance with the provisions in these terms and conditions.
- 7.6 The Customer warrants that any structures to which the Goods are to be affixed are able to withstand the installation thereof, and that any electrical connections (including, but not limited to, meter boxes, main switches, circuit breakers, and electrical cable) are of suitable capacity to handle the Goods once installed.

8. Risk

- 8.1 Risk of damage to or loss of the Goods passes to the Customer on Delivery and the Customer must insure the Goods on or before Delivery.
- 8.2 If any of the Goods are damaged or destroyed following delivery but prior to ownership passing to the Customer, Domus is entitled to receive all insurance proceeds payable for the Goods. The production of these terms and conditions by Domus is sufficient evidence of Domus' rights to receive the insurance proceeds without the need for any person dealing with Domus to make further enquiries.
- 8.3 If the Customer requests Domus to leave Goods outside Domus' premises for collection or to deliver the Goods to an unattended location, then such Goods shall be left at the Customer's sole risk.

9. Specifications

- 9.1 Whilst Domus shall endeavour to provide correct and accurate information in all datasheets, catalogues, brochures, instruction manuals, advertising materials and other documentation, all literature, is expressly illustrative and is by way of a general description of the Goods and Domus shall not be held liable where errors and/or omissions may occur.
- 9.2 The Customer shall be responsible for ensuring that the Goods ordered are suitable for their intended use, as in some instances the Goods are made to order and Domus offers no refund, either partial or fully, in the event of any cancellation by the Customer.
- 9.3 The Customer acknowledges and accepts that the supply of Goods for accepted orders may be subject to availability and if, for any reason, Goods are not, or cease to be, available, Domus reserves the right to substitute comparable products (or components thereof) and vary the Price as per clause 6.2. In all such cases Domus will notify the Customer in advance of any such substitution, and also reserves the right to place the Customer's order on hold until such time as Domus and the Customer agree to such changes.

10. Title

- 10.1 Domus and the Customer agree that ownership of the Goods shall not pass until:
- the Customer has paid Domus all amounts owing to Domus; and
 - the Customer has met all of its other obligations to Domus.
- 10.2 Receipt by Domus of any form of payment other than cash shall not be deemed to be payment until that form of payment has been honoured, cleared or recognised.
- 10.3 It is further agreed that, until ownership of the Goods passes to the Customer in accordance with clause 10.1:
- the Customer is only a bailee of the Goods and must return the Goods to Domus on request.
 - the Customer holds the benefit of the Customer's insurance of the Goods on trust for Domus and must pay to Domus the proceeds of any insurance in the event of the Goods being lost, damaged or destroyed.
 - the Customer must not sell, dispose, or otherwise part with possession of the Goods other than in the ordinary course of business and for market value. If the Customer sells, disposes or parts with possession of the Goods then the Customer must hold the proceeds of any such act on trust for Domus and must pay or deliver the proceeds to Domus on demand.
 - the Customer should not convert or process the Goods or intermix them with other goods but if the Customer does so then the Customer holds the resulting product on trust for the benefit of Domus and must sell, dispose of or return the resulting product to Domus as it so directs.
 - the Customer irrevocably authorises Domus to enter any premises where Domus believes the Goods are kept and recover possession of the Goods.
 - Domus may recover possession of any Goods in transit whether or not delivery has occurred.
 - the Customer shall not charge or grant an encumbrance over the Goods nor grant nor otherwise give away any interest in the Goods while they remain the property of Domus.
 - Domus may commence proceedings to recover the Price of the Goods sold notwithstanding that ownership of the Goods has not passed to the Customer.

11. Personal Property Securities Act 2009 ("PPSA")

- 11.1 In this clause financing statement, financing change statement, security agreement, and security interest has the meaning given to it by the PPSA.
- 11.2 Upon assenting to these terms and conditions in writing the Customer acknowledges and agrees that these terms and conditions

constitute a security agreement for the purposes of the PPSA and creates a security interest in all Goods and/or collateral (account) – being a monetary obligation of the Customer to Domus for Services – that have previously been supplied and that will be supplied in the future by Domus to the Customer.

11.3 The Customer undertakes to:

- (a). promptly sign any further documents and/or provide any further information (such information to be complete, accurate and up-to-date in all respects) which Domus may reasonably require to;
- (i). register a financing statement or financing change statement in relation to a security interest on the Personal Property Securities Register;
- (ii). register any other document required to be registered by the PPSA; or
- (iii). correct a defect in a statement referred to in clause 11.3(a)(i) or 11.3(a)(ii);
- (b). indemnify, and upon demand reimburse, Domus for all expenses incurred in registering a financing statement or financing change statement on the Personal Property Securities Register established by the PPSA or releasing any Goods charged thereby;
- (c). not register a financing change statement in respect of a security interest without the prior written consent of Domus;
- (d). not register, or permit to be registered, a financing statement or a financing change statement in relation to the Goods and collateral (account) in favour of a third party without the prior written consent of Domus;
- (e). immediately advise Domus of any material change in its business practices of selling the Goods which would result in a change in the nature of proceeds derived from such sales.

11.4 Domus and the Customer agree that sections 96, 115 and 125 of the PPSA do not apply to the security agreement created by these terms and conditions.

11.5 The Customer waives their rights to receive notices under sections 95, 118, 121(4), 130, 132(3)(d) and 132(4) of the PPSA.

11.6 The Customer waives their rights as a grantor and/or a debtor under sections 142 and 143 of the PPSA.

11.7 Unless otherwise agreed to in writing by Domus, the Customer waives their right to receive a verification statement in accordance with section 157 of the PPSA.

11.8 The Customer must unconditionally ratify any actions taken by Domus under clauses 11.3 to 11.5.

11.9 Subject to any express provisions to the contrary (including those contained in this clause 11) nothing in these terms and conditions is intended to have the effect of contracting out of any of the provisions of the PPSA.

12. Security and Charge

12.1 In consideration of Domus agreeing to supply the Goods, the Customer charges all of its rights, title and interest (whether joint or several) in any land, realty or other assets capable of being charged, owned by the Customer either now or in the future, to secure the performance by the Customer of its obligations under these terms and conditions (including, but not limited to, the payment of any money).

12.2 The Customer indemnifies Domus from and against all Domus' costs and disbursements including legal costs on a solicitor and own client basis incurred in exercising Domus' rights under this clause.

12.3 The Customer irrevocably appoints Domus and each director of Domus as the Customer's true and lawful attorney/s to perform all necessary acts to give effect to the provisions of this clause 12 including, but not limited to, signing any document on the Customer's behalf.

13. Damaged/Faulty Goods, Warranties and Returns and Claims, Competition and Consumer Act 2010 (CCA)

13.1 The Customer must inspect the Goods on delivery and must within seven (7) days of delivery notify Domus in writing of any evident defect/damage, shortage in quantity, or failure to comply with the description or quote. The Customer must notify any other alleged defect in the Goods as soon as reasonably possible after any such defect becomes evident. Upon such notification the Customer must allow Domus to inspect the Goods. A Goods Returned Authority number (GRA) will be issued by Domus upon notification of Goods to be returned and shall accompany the Goods along with all other relevant documentation and a completed Warranty Claim Form.

13.2 The conditions applicable to the warranty given by clause 13.1 are as specified below:

- (a). Damaged/Faulty Goods: Domus, in its absolute discretion, agrees to repair or replace or credit Goods that have been approved by Domus to be defective and in accordance with 13.1 and any instructions issued by Domus. Please note Credit

Notes are only valid for twelve (12) months from date of issue. Suitable substitutes will be issued by Domus in the case where the product is discontinued or no longer serviceable;

- (b). Warranties: no warranties except those implied and which cannot be excluded by law are given by Domus in respect of Goods and Services. Warranty periods vary, subject to the individual product, and negotiated warranty periods may apply to Services. Any product(s) that have been modified shall render all warranties null and void;
- (c). Shortages: claims for "short deliveries" must be reported to Domus in writing within seven (7) days of delivery of Goods and in accordance with 13.1, no claims for short deliveries will be accepted after this time. The Customer will be responsible insuring that the total number of cartons delivered corresponds exactly with the delivery docket and/or the couriers consignment note;
- (d). Pricing: claims for "incorrect pricing" must be reported to Domus in writing within fourteen (14) days of delivery of Goods and/or date of invoice. Domus reserves the right to reject any pricing claim submitted after fourteen (14) days of delivery of Goods and/or date of invoice.
- (e). Goods not Required by the Customer: Domus may in its absolute discretion accept non-defective Goods (excluding specials, project or discontinued Goods) for return in which case Domus may require the Customer to pay handling fees of up to twenty five percent (25%) of the value of the returned Goods plus any freight costs and provide the GRA number and all other relevant documents pertaining to the Goods.

13.3 Under applicable State, Territory and Commonwealth Law (including, without limitation the CCA), certain statutory implied guarantees and warranties (including, without limitation the statutory guarantees under the CCA) may be implied into these terms and conditions (Non-Excluded Guarantees).

13.4 Except as expressly set out in these terms and conditions or in respect of the Non-Excluded Guarantees, Domus makes no warranties or other representations under these terms and conditions including but not limited to the quality or suitability of the Goods. Domus' liability in respect of these warranties is limited to the fullest extent permitted by law.

13.5 If the Customer is a consumer within the meaning of the CCA in respect of any expressed warranties and guarantees, Domus' liability is limited to the extent permitted by section 64A of Schedule 2 and being either for a twelve (12) month, three (3) year or five (5) year period. For commercial applications, goods will only be warranted for a period of twelve (12) months only.

13.6 If Domus is required to replace the Goods under this clause or the CCA, but is unable to do so, Domus may refund any money the Customer has paid for the Goods.

13.7 If the Customer is not a consumer within the meaning of the CCA, Domus' liability for any defect or damage in the Goods is:

- (a). limited to the value of any express warranty or warranty documentation provided to the Customer by Domus at Domus' sole discretion;
- (b). limited to any warranty to which Domus is entitled, if Domus did not manufacture the Goods;
- (c). otherwise negated absolutely.

13.8 At no time will a warranty be transferrable. Any warranty offered is made only to the original Customer who must produce the original sales invoice at the point of submitting a warranty claim.

13.9 Subject to this clause 13, returns will only be accepted provided that:

- (a). the Customer has complied with the provisions of clause 13.1; and
- (b). Domus has agreed that the Goods are defective; and
- (c). the Customer has obtained a CRA number from Domus; and
- (d). the Goods are returned within a reasonable time at the Customer's reasonable cost; and
- (e). the Goods are returned in the condition in which they were delivered and with all packaging material, brochures and instruction material in as new condition as is reasonably possible in the circumstances.

13.10 Not with standing clauses 13.1 to 13.8 but subject to the CCA, Domus shall not be liable for any defect or damage which may be caused or partly caused by or arise as a result of:

- (a). the Customer failing to properly maintain or store any Goods;
- (b). the Customer using the Goods for any purpose other than that for which they were designed;
- (c). the Customer continuing the use of any Goods after any defect became apparent or should have become apparent to a reasonably prudent operator or user;
- (d). the Customer failing to follow any instructions or guidelines provided by Domus;
- (e). fair wear and tear, any accident, or act of God.

13.11 Not with standing anything contained in this clause if Domus is required by a law to accept a return then Domus will only accept a

return on the conditions imposed by that law.

14. Third Party Claims

- 14.1 In the instance that Domus' Goods have been installed and then become defective, Domus shall not be responsible for any electrical costs involved. The defective Goods shall be returned to Domus in accordance with 13.1.
- 14.2 In the instance that Domus' Goods are agreed by Domus as defective on a commercial job, Domus reserves the right either reject or to use the following procedures to remedy and rectify the situation. Domus may:
- (a). use Domus' qualified staff and resources; or
 - (b). obtain a quotation for the remedial/rectification work to be completed on Domus' behalf, with the quotation to be signed off by Domus' management prior to commencement of the said work and a work order being issued.
- 14.3 Failure of the Customer to meet all the procedure in 14.2 to occur may result in Domus not accepting any back charge claim made by the Customer.

15. Intellectual Property

- 15.1 Where Domus has designed, drawn or developed Goods for the Customer, then the copyright in any designs and drawings and documents shall remain the property of Domus. Under no circumstances may such designs, drawings and documents be used without the express written approval of Domus.
- 15.2 The Customer warrants that all designs, specifications or instructions given to Domus will not cause Domus to infringe any patent, registered design or trademark in the execution of the Customer's order and the Customer agrees to indemnify Domus against any action taken by a third party against Domus in respect of any such infringement.

16. Protection of Reputation

- 16.1 Any misuse, misrepresentation or any other action that negatively impacts Domus' brand (including but not limited to online sales and/or marketing campaigns) which is deemed to damage and/or tarnish the reputation of Domus' brand, may result in Domus mitigating that damage by refusing the Customer the right to continue to represent Domus.

17. Default and Consequences of Default

- 17.1 Interest on overdue invoices may accrue daily from the date when payment becomes due, until the date of payment, at a rate of two and a half percent (2.5%) per calendar month (and at Domus' sole discretion such interest shall compound monthly at such a rate) after as well as before any judgment.
- 17.2 If the Customer owes Domus any money, the Customer shall indemnify Domus from and against all costs and disbursements incurred by Domus in recovering the debt (including, but not limited to, internal administration fees, legal costs on a solicitor and own client basis, Domus' contract default fee, and bank dishonour fees).
- 17.3 Further to any other rights or remedies Domus may have under this contract, if a Customer has made payment to Domus, and the transaction is subsequently reversed, the Customer shall be liable for the amount of the reversed transaction, in addition to any further costs incurred by Domus under this clause 17 where it can be proven that such reversal is found to be illegal, fraudulent or in contravention to the Customer's obligations under this agreement.
- 17.4 Without prejudice to Domus' other remedies at law Domus shall be entitled to cancel all or any part of any order of the Customer which remains unfulfilled and all amounts owing to Domus shall, whether or not due for payment, become immediately payable if:
- (a). any money payable to Domus becomes overdue, or in Domus' opinion the Customer will be unable to make a payment when it falls due;
 - (b). the Customer has exceeded any applicable credit limit provided by Domus;
 - (c). the Customer becomes insolvent, convenes a meeting with its creditors or proposes or enters into an arrangement with creditors, or makes an assignment for the benefit of its creditors; or
 - (d). a receiver, manager, liquidator (provisional or otherwise) or similar person is appointed in respect of the Customer or any asset of the Customer.

18. Right of Supply and Cancellation

- 18.1 Without prejudice to any other remedies Domus may have, if at any time the Customer is in breach of any obligation (including

those relating to payment) under these terms and conditions Domus may suspend or terminate the supply of Goods to the Customer. Domus will not be liable to the Customer for any loss or damage the Customer suffers because Domus has exercised its rights under this clause.

- 18.2 Domus may cancel any contract to which these terms and conditions apply or cancel delivery of Goods at any time before the Goods are delivered by giving written notice to the Customer. On giving such notice Domus shall repay to the Customer any money paid by the Customer for the Goods. Domus shall not be liable for any loss or damage whatsoever arising from such cancellation.
- 18.3 In the event that the Customer cancels delivery of Goods the Customer shall be liable for any and all loss incurred (whether direct or indirect) by Domus as a direct result of the cancellation (including, but not limited to, any loss of profits).
- 18.4 Domus reserves the right to reject any cancellation of order for Goods (whether partially or wholly);
- (a). Where the Goods supplied and/or to be supplied have been specially ordered by the Customer; or
 - (b). made to the Customer's specifications; or
 - (c). for non-stock items.

19. Privacy Act 1988

- 19.1 The Customer agrees for Domus to obtain from a credit reporting body (CRB) a credit report containing personal credit information (e.g. name, address, D.O.B, occupation, previous credit applications, credit history) about the Customer in relation to credit provided by Domus.
- 19.2 The Customer agrees that Domus may exchange information about the Customer with those credit providers and with related body corporates for the following purposes:
- (a). to assess an application by the Customer; and/or
 - (b). to notify other credit providers of a default by the Customer; and/or
 - (c). to exchange information with other credit providers as to the status of this credit account, where the Customer is in default with other credit providers; and/or
 - (d). to assess the creditworthiness of the Customer including the Customer's repayment history in the preceding two (2) years.
- 19.3 The Customer consents to Domus being given a consumer credit report to collect overdue payment on commercial credit.
- 19.4 The Customer agrees that personal credit information provided may be used and retained by Domus for the following purposes (and for other agreed purposes or required by):
- (a). the provision of Goods; and/or
 - (b). analysing, verifying and/or checking the Customer's credit, payment and/or status in relation to the provision of Goods; and/or
 - (c). processing of any payment instructions, direct debit facilities and/or credit facilities requested by the Customer; and/or
 - (d). enabling the collection of amounts outstanding in relation to the Goods.
- 19.5 Domus may give information about the Customer to a CRB for the following purposes:
- (a). to obtain a consumer credit report;
 - (b). allow the CRB to create or maintain a credit information file about the Customer including credit history.
- 19.6 The information given to the CRB may include:
- (a). personal information as outlined in 19.1 above;
 - (b). name of the credit provider and that Domus is a current credit provider to the Customer;
 - (c). whether the credit provider is a licensee;
 - (d). type of consumer credit;
 - (e). details concerning the Customer's application for credit or commercial credit (e.g. date of commencement/termination of the credit account and the amount requested);
 - (f). advice of consumer credit defaults, overdue accounts, loan repayments or outstanding monies which are overdue by more than sixty (60) days and for which written notice for request of payment has been made and debt recovery action commenced or alternatively that the Customer no longer has any overdue accounts and Domus has been paid or otherwise discharged and all details surrounding that discharge (e.g. dates of payments);
 - (g). information that, in the opinion of Domus, the Customer has committed a serious credit infringement;
 - (h). advice that the amount of the Customer's overdue payment is equal to or more than one hundred and fifty dollars (\$150).
- 19.7 The Customer shall have the right to request (by e-mail) from Domus:
- (a). a copy of the information about the Customer retained by Domus and the right to request that Domus correct any incorrect

information; and

(b). that Domus does not disclose any personal information about the Customer for the purpose of direct marketing.

19.8 Domus will destroy personal information upon the Customer's request (by e-mail) or if it is no longer required unless it is required in order to fulfil the obligations of this agreement or is required to be maintained and/or stored in accordance with the law.

19.9 The Customer can make a privacy complaint by contacting Domus via e-mail. Domus will respond to that complaint within seven (7) days of receipt and will take all reasonable steps to make a decision as to the complaint within thirty (30) days of receipt of the complaint. In the event that the Customer is not satisfied with the resolution provided, the Customer can make a complaint to the Information Commissioner at www.oaic.gov.au.

20. Service of Notices

20.1 Any written notice given under this contract shall be deemed to have been given and received:

(a). by handing the notice to the other party, in person;

(b). by leaving it at the address of the other party as stated in this contract;

(c). by sending it by registered post to the address of the other party as stated in this contract;

(d). if sent by facsimile transmission to the fax number of the other party as stated in this contract (if any), on receipt of confirmation of the transmission;

(e). if sent by email to the other party's last known email address.

20.2 Any notice that is posted shall be deemed to have been served, unless the contrary is shown, at the time when by the ordinary course of post, the notice would have been delivered.

21. Building and Construction Industry Security of Payments Act 1999

21.1 At Domus' sole discretion, if there are any disputes or claims for unpaid Goods and/or Services then the provisions of the Building and Construction Industry Security of Payments Act 1999 may apply.

21.2 Nothing in this agreement is intended to have the effect of contracting out of any applicable provisions of the Building and Construction Industry Security of Payments Act 1999 of New South Wales, except to the extent permitted by the Act where applicable.

22. General

22.1 The failure by either party to enforce any provision of these terms and conditions shall not be treated as a waiver of that provision, nor shall it affect that party's right to subsequently enforce that provision. If any provision of these terms and conditions shall be invalid, void, illegal or unenforceable the validity, existence, legality and enforceability of the remaining provisions shall not be affected, prejudiced or impaired.

22.2 These terms and conditions and any contract to which they apply shall be governed by the laws of New South Wales in which Domus has its principal place of business, and are subject to the jurisdiction of the Bankstown Local Court, New South Wales.

22.3 Subject to clause 13, Domus shall be under no liability whatsoever to the Customer for any indirect and/or consequential loss and/or expense (including loss of profit) suffered by the Customer arising out of a breach by Domus of these terms and conditions (alternatively Domus' liability shall be limited to damages which under no circumstances shall exceed the Price of the Goods).

22.4 The Customer agrees that Domus may amend these terms and conditions by notifying the Customer in writing. These changes shall be deemed to take effect from the date on which the Customer accepts such changes, or otherwise at such time as the Customer makes a further request for Domus to provide Goods to the Customer.

22.5 Neither party shall be liable for any default due to any act of God, war, terrorism, strike, lock-out, industrial action, fire, flood, storm or other event beyond the reasonable control of either party.

22.6 Both parties warrant that they have the power to enter into this agreement and have obtained all necessary authorisations to allow them to do so, they are not insolvent and that this agreement creates binding and valid legal obligations on them.
